### Chapter 1 by kayla eileen

My heart broke before it was whole. Some people just say "Martha it is just in you head your heart is not broke", but mine is you see I need a new heart by the ed of the week or I could die. my heart is not like the people I meet at school or on the road to my house. This is my story of how My heart broke to the point I need a new one.

### Chapter 2 by -

A new one I got. But not from where I had wanted it to come from.

"Martha my dear, a new heart as you wished!" A man came to me as if in a dream. Faceless and cloaked. He took out the broken organ and replaced it with a new.

New. Well, a heart which was dreaded by many. One that no one wanted. One that was cursed and debauched.

I was given the Heart of Hell.
